SKILLS:

- AI Content Strategy
- E-Commerce Development
- Prompt Engineering
- Professional Video Editing
- AI Tools Integration
- Social Media Management
- Digital Marketing Strategy
- Ads & Campaigns
- Strong Communication

EDUCATION:

GORDON COLLEGE, RAWALPINDI
2022 - 2024

Intermediate (Arts & Humanities)

GOVERNMENT PUBLIC SCHOOL
2020 - 2022

Matriculation - Foundation in General Studies

LANGUAGE:

- English (Professional Proficiency)
- Urdu (Native / Bilingual)
- Punjabi (Native / Fluent)

PROFILE:

E-commerce Developer & AI Content Specialist with a proven track record of scaling stores like Skincube.pk. I bridge the gap between technical web development (Shopify/Magento/Custom) and AI-driven marketing. By utilizing prompt engineering and advanced AI tools (Kling, ElevenLabs, Grok), I produce high-converting promotional content and execute targeted Meta Ads to drive brand growth and generate consistent sales.

EXPERIENCE:

E-COMMERCE DEVELOPER & AI SPECIALIST | 2025 – PRESENT
Webnix Solution

- Developed scalable Shopify and Magento e-commerce stores.
- Launched targeted Meta Ad campaigns using AI-generated visual assets.
- Managed complete digital marketing strategies across major social platforms.

LEAD DEVELOPER & AI CONTENT CREATOR | 2025 – PRESENT
Skincube.pk (Project)

- Built a high-converting, responsive storefront for cosmeceutical products.
- Engineered JSON prompts for premium, faceless AI promotional videos.
- Edited seamless 9:16 and 1:1 product promos using CapCut.

PROFESSIONAL CERTIFICATIONS | 2024 – 2026
Specialized Training & Courses

- Shopify Developer Certificate.
- AI Ad Creation Mastery.
- Digital Marketing
